During our 11AM service, we offer a worship service for older preschoolers (WiiWorship) and grade school boys and girls (I-Praise). If you have a child that is 3 or older, please ask an usher about services available for them.

Need assistance with small children?

We provide a safe, well-staffed nursery and toddler program. Please see one of our ushers or visit the Welcome Center, and it will be our pleasure to assist you and your children).

MISSIONS EMPHASIS | SILVANUS & ALENO BHANDARI

Do you know where Nepal is? That’s a small country between China and India. Today we’re going to pray for one of our missionaries who is from Nepal. He is Silvanus Bhandari. Silvanus grew up in Nepal and was a Hindu. But in 1992, when he was still a teenager, he became a follower of Jesus and felt called to share the gospel. Life can be hard for Christians in Nepal. Silvanus felt led to plant a new church in America, so he came here. Now he is planting that church in New York City. Our church is helping support him as one of our North American missionaries — through our Cooperative Program giving. Silvanus called his new church Global Mission Church because he wants people from around the globe to hear the gospel. New believers are quickly taught how to tell others about their faith in Jesus Christ. Today let’s pray for Silvanus and his wife, Aleno as they visit and talk with people from many lands. Let’s pray that many of those immigrants will hear the gospel and become Christians.

CHILDREN’S MINISTRY ANNOUNCEMENTS

KIDS' MINISTRY IS OPEN

We are so excited to be welcoming kids into the building. Each Sunday **and Wednesday**, we will have space prepared for your babies – fifth graders to come together while adults worship or in 3D Groups. In the nursery area, groups will be small; supplies will not be shared, and social distancing will be maintained to the greatest extent possible. In Kids’ Worship, the boys and girls will gather in the large group area, supplies will not be shared, and social distancing will be maintained. All volunteers wear masks; temperature checks will take place, and hand washing will occur. We are thrilled to be able to join together in person, but want to be safe and cautious in doing so. You will need to reserve your space for the Sunday morning service through the website or the app. If you have any questions, please ask Lynn Wampler.

THANK YOU NOTE

My loving church family, I thank you so much for all the kindnesses you have shown to me and my family. I hope when you have a time of remembering Don, you have a smile and good story. Your expression of sympathy will always be remembered.

—Dama Sowers & Family
