

Sunday Morning Classes

On Sunday mornings, Bible studies are available for every age and life stage from 9:45—10:45. Classes provide opportunities to build relationships, learn God’s Word, and minister to one another. Classes are listed inside this bulletin.

Wednesday Classes

On Wednesday mornings in the fall and spring, we offer an in-depth Bible study for senior adults from 10—11AM. Also in the fall and spring semesters, from 6:30—7:30PM, we offer AWANA for kids, a great student ministry for youth, and a variety of classes for adults.

The fall semester begins the Wednesday following Labor Day and continues into early December. Our winter/spring semester begins in early January and concludes just prior to summer break. The summer semester continues from 6:30—7:30PM with a pastor’s class for adults, classes and fun for youth, and activities for children whose parents are attending the pastor’s summer class.
